In this week's episode of Inside New Mexico, Steve talks about the expected rolling blackouts as a result of Democrats' energy policies, rising gas prices, lawsuits against redrawn redistricting maps, Facebook's dwindling subscribers, the increase in conservative social media platforms, Republicans censuring Republicans and a look at some of the items on the RNC's agenda. Steve also discusses Black History Month and RNC's community centers and the Canadian truckers convoy.

And you'll hear comedian Bill Maher continue his criticism of the left.
