

Join Us for the Santa Fe Teen Center Grand Opening Celebration!

Friday, September 22, and Saturday, September 23 at 6600 Valentine Way

The City of Santa Fe is excited to invite community members to our grand opening celebration of the new Santa Fe Teen Center! Bring the whole family to explore this new, state-of-the-art, 17,000 sq. ft. facility located at 6600 Valentine Way (across from the Southside Santa Fe Library). **Celebrations will begin on the afternoon of Friday, September 22, and continue all day on Saturday, September 23.** Join us for food, music, a movie showing, performances, activities, and more! Visit santafenm.gov/teencenter for the detailed schedule.

The Teen Center is the result of over a decade of community input and advocacy to bring a vision of a space built just for teens to life. It features a gym and weight room, an outdoor courtyard and performance space, a full kitchen, a shower, washer and dryer, a game room, computers and tech, and will be free and open to all teens ages 12-18 after registration. **We hope you can join us on Sept. 22 and 23 to experience the facility in person and learn more!**
