

We have a great show this week! **Albuquerque City Councilor Dan Lewis joins** to talk about the battle to save small businesses from radical eco-regulation mandates coming from an unelected Air Quality Board.

Then, Steve and Derek get into this week's big news stories from New Mexico. Gov. MLG extended her unconstitutional public health gun order, Senator Heinrich has introduced a new bill infringing on responsible gun owners' Second Amendment rights, Biden put out a false tweet about inflation, Democrats are abandoning "Bidenomics" and more! **Tune in!**
