Every New Mexican must work together to stem the spread of COVID-19. Wear a mask when in public and around others. **If you are sick, stay home as much as possible.**

New Mexicans who report symptoms of COVID-19 infection, such as fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell should call their health care provider or the NMDOH COVID-19 hotline immediately (1-855-600-3453).

The Department of Health strongly encourages the following groups to get tested:

- Symptomatic people displaying the COVID-19 symptoms of fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and/or loss of taste or smell;
- Asymptomatic people who are close contacts or household members of people in their infectious period who have already tested positive for the coronavirus;
- Asymptomatic people who live or work in congregate settings such as long-term care facilities and group homes;
- Patients who are scheduled for surgery and whose provider has advised them to get tested before the procedure.

New Mexicans who have non-health-related questions or concerns can also call 833-551-0518 or visit newmexico.gov, which is being updated regularly as a one-stop source for information for families, workers and others affected by and seeking more information about COVID-19.
