Planned Water outages so crews can tie in a new waterline to the existing waterline are now scheduled for **3:30-8:30 p.m. Thursday, June 8** and **Friday, June 9**. A map of businesses impacted by this water shutoff is included here, but **PLEASE NOTE** that other businesses may be affected as well.

Also, crews have determined that to safely install the west side of the roundabout at New School Road, the intersection of New School Road and North Date needs to be closed. Therefore, **New School Road will be CLOSED at North Date Street for about one month beginning on Monday, June 12, 2023.**

During this closure, please follow the detours shown on the map:

- Northbound and southbound motorists can take Barton Street to North Pershing Street to access New School Road

Regular work hours will be **7 a.m.-5 p.m. Monday-Friday** although the contractor may work longer hours or on weekends as needed.

Access will be maintained to all businesses during construction.

About the Project: *The project is designed to improve sight distances at turnouts and intersections, address speed issues, provide connectivity for pedestrians and bicyclists and improve drainage. The project includes roundabouts at Smith Avenue, New School Road and NM 181. Construction is expected to be completed by May 2024.*
