

## Episode #192

In this week's episode:

Steve is back, and he's getting right into New Mexico's hottest topics, including the Governor's new taxpayer-funded abortion hotline and the millions of dollars being made off abortion in our state, how many people on terrorist watchlist were caught illegally entering through the southern border, how Democrats contributed to New Mexicans' inflation struggles and to small businesses being unable to hire, the threat of rolling blackouts and more! Stay tuned for an interview with Freddie Lopez, the Second Vice Chair of the Santa Fe Republican Party and emerging young leader in the party!
