

Reminder: Join Us to Celebrate Railyard Park and Playground Renovations

9:30 a.m. on Thursday, July 27, at the Railyard Park

You're invited to join us for an opening celebration of the newly renovated Railyard Park Playground at 9:30 a.m. on Thursday, July 27! Mayor Alan Webber, elected officials, and representatives from the project team will be in attendance.

The playground has been overhauled with entirely new play features and other improvements, and the project team also completed installation of 33 new, long-lasting concrete benches around the park to replace the wooden benches that had begun to fail.

Hope you can swing by to celebrate the upgrades to this beloved community space!
