

Real Issues. Real People. Real New Mexico.

This week, Inside NM is joined again by RPNM's Digital and Communications Director, Ash Soular! She discusses the governor's hotline referring women to the satanic abortion clinic, the movie *Sound of Freedom* and the scary consequence of New Mexico's open border.

Also! New Mexico was rated the worst state to live in, Steve and Derek discuss how we can fix it. Do you agree with them? And Trump was indicted again, find out what Steve has to say! Tune in for it all and more!
