

Episode 202

Drugs, tent cities, and human waste are invading neighborhoods and school zones in Albuquerque, but Mayor Tim Keller doesn't want to hear about it, Hispanic New Mexicans are calling out progressives who are trying to erase their history, and then **House Leader Ryan Lane** joins the show! He thinks the 3.5-billion-dollar oil and gas surplus should go back into your pockets, but will Democrats allow it?

Tune in to hear it all and more!
