

Chairman Pearce Statement on Passing of Mack Chase

The Republican Party of New Mexico Chairman and former Congressman Steve Pearce issued this statement upon the news of the passing of Mack C. Chase, founder of the Mack Energy Corporation.

"With a heavy heart, I send my sincere condolences to the Chase family during this time of loss. Mack Chase was a leader in New Mexico oil and gas, remaining in Artesia long after launching his successful business and was a strong supporter of Republicans during his lifetime. Mack's life and work went beyond oil and gas, and he was known for his generosity and love of helping others. His memory and legacy will continue to live on through the people and work he championed within his community."
