FOR IMMEDIATE RELEASE

Nov. 9, 2023

Traffic Alert **Overnight roadway closures for bridge testing**

LAS CRUCES - The New Mexico Department of Transportation District One office will have overnight roadway closures in place for bridge testing on I-10, University Ave., and S. Main St. starting November 15, 2023.

To maintain the integrity of the I-10 bridge over University and S. Main Street in Las Cruces, bridge deck testing will be in place from Wednesday, November 15, 2023, to Monday, November 20, 2023. Closures will be in place with a detour from 9 p.m. to 6 a.m. The planned overnight closures are in place to lessen the impact on travelers. The NMDOT apologizes for the inconvenience and thanks you for your patience.

Listed below are the nightly impacts to roadways:

Wednesday, November 15, 2023, full closure of University Avenue.

Thursday, November 16, 2023, full closures of northbound Main St. & westbound University Ave.

Friday, November 17, 2023, full closure of northbound Main Street.

Saturday, November 18, 2023, full closure of northbound Main Street.

Sunday, November 19, 2023, *Shifting Closures*.

9 p.m. full closure westbound I-10 with a possible University Ave. closure.

11 p.m. full closure eastbound I-10 with a possible Main St. University Ave. closure.

Monday, November 20, 2023, full closure northbound Main St. with possible closure on University.

All closures subject to change and weather pending.

The New Mexico Department of Transportation is committed to the safety of the traveling public and thanks you for your cooperation during this work. For updated information go to: New Mexico Department of Transportation at www.nmroads.com or call 511.
