

In this episode, Steve draws a sharp contrast between Republicans and Democrats. Steve and Derek discuss the Democrats' ignorance of American energy and how Democrats don't want democracy, they want to dictate.

Also, Virgin Galactic is pulling out of New Mexico, Martin Heinrich displays how out-of-touch he is...again, and antisemitism is on the rise, but both NM congresswomen voted against holding colleges accountable for antisemitic radicalism being bred on their campuses.

Then Former Rep. Yvette Herrell shares insight into Rep. Gabe Vasquez's dangerous votes. **Tune in to hear it all and more!**
