

Fire Chief Granting City-Wide Burning Amnesty for Farolitos and Luminarias on Christmas Eve

Santa Fe Fire Department Chief Brian Moya and Fire Marshal Geronimo Griego have granted city-wide amnesty for farolito and luminaria burning starting at sundown on Sunday, December 24, and ending at dawn on Monday, December 25, 2023.

Usually, open burning without a permit issued by the Santa Fe Fire Department is prohibited under the City's Fire Code. This temporary seasonal amnesty extends throughout the city of Santa Fe for community members to burn farolitos and luminarias on Christmas Eve to celebrate the holiday.
