Crews will be located at milepost 2.43 westbound, milepost 14 eastbound, milepost 25.95 westbound, milepost 50.22 eastbound, milepost 69 westbound and milepost 129.17 eastbound. All work should be on the shoulder to erect extruded panels signage.

US Roadways:

US 380 Bridge Rehabilitation, San Antonio

AUI, Inc. (Contractor) will begin working on a bridge rehabilitation project on US 380 between mileposts 1.6 and 1.8 over the Rio Grande River. The majority of the work will take place under and around the bridge, with no traffic impacts expected. Drivers are asked to please obey traffic control devices if placed and be on the lookout for workers and/or equipment entering and exiting the roadway. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday.

State Roadways:

NM 359 Bridge Rehabilitation, Mesilla

AUI, Inc. (Contractor) will continue working on a bridge rehabilitation project on NM 359 at milepost 1.90 over the Rio Grande. The majority of the work will take place under and around the bridge, with no traffic impacts expected. Drivers are asked to please obey traffic control devices if placed and be on the lookout for workers and/or equipment entering and exiting the roadway. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday.

NM 26 Bridge Rehabilitation, Hatch

La Calerita Construction (Contractor) will begin working on a bridge rehabilitation project on NM 26 at milepost 47.7 over Interstate 25 on January 3, 2024. Drivers are asked to please obey traffic control devices if placed and be on the lookout for workers and/or equipment entering and exiting the roadway. Detour routes may be in use during the project and drivers are also asked to be vigilant and follow the proper signage. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday.

NM 157 Bridge Rehabilitation, Radium Springs

AUI, Inc. (Contractor) will begin working on a bridge rehabilitation project on NM 157 at milepost 0.1 over the Leasburg Canal. The majority of the work will take place under and around the bridge, with no traffic impacts expected. Drivers are asked to please obey traffic control devices if placed and be on the lookout for workers and/or equipment entering and exiting the roadway. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday.

NM 549, Roadway Rehabilitation, Deming

Mountain States Constructors, Inc. (Contractor) will be continuing roadway rehabilitation project on NM 549 from milepost 10 to 22. Drivers can expect lane closures on both the eastbound and westbound lanes of NM 549 as needed. A pilot car operation will be in place, please reduce your speed and obey traffic control devices. Roadway will be restricted to 12-foot for oversized loads. The contractor's hours of operation will be from 7 a.m. to 5 p.m., Monday through Friday, with the possibility of some weekend work.

NM 101 Utility Replacement, Mesilla

JGF Built LLC (Contractor) will be replacing the underground utilities on NM 101 from milepost 0 to 0.8 (Intersection of Avenida de Mesilla and University Ave.) in the Town of Mesilla. Roadway is open but may be reclosed in the next month to finalize utility replacements. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday. Drivers should expect delays and plan accordingly.

NM 26 Bridge Rehabilitation, Deming/Nutt CN1102010

Meridian Contracting, Inc. (Contractor) is currently finalizing the bridge rehabilitation project on NM 26 "Hatch Hwy" at milepost 26.8 near Nutt. Traffic can expect a temporary traffic signal in place with only one lane open over the bridge. Speed limits will be reduced, please obey traffic control devices. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday. Drivers should expect delays and plan accordingly.

NM 404 Roadway Widening, Anthony to Chaparral

Mountain States Constructors, Inc. (Contractor), will be continuing the roadway reconstruction and lighting project on NM 404 from milepost 0.9 (Anthony) to milepost 8.8 (Chaparral). Traffic has been shifted into the eastbound lanes so construction can begin on the westbound lanes. Currently, the contractor is installing drainage structures, subgrade preparation, Base Course, and Hot Mix. The speed limit has been reduced to 45 MPH for the safety of the traveling public. The contractor's regular hours of operation will be from 7 a.m. to 5 p.m., Monday through Friday, some Saturdays as needed. In preparation for the holidays the contractor will be working daily until December 22, taking leave, and returning to the project on January 2, 2024.

Chip Seal Projects, Hidalgo & Grant Co:

The New Mexico Department of Transportation (NMDOT) has completed Fog Sealing operations on roadways around Hidalgo Co. Striping crew is in place. Continue to reduce speed and be aware of slow-moving traffic.
