

We have another great show out of New Mexico with the week's major news stories!

Steve blasts the two NM Reps who refused to vote to condemn antisemitism amid its unprecedented rise globally, there's a new potential government land grab that is going to decimate the industries in Luna County, Yvette Herrell receives a significant endorsement, there's more bad news at the border, and Biden says he won't negotiate to secure the U.S. border unless more money is given to Ukraine—you're going to want to hear this! **Tune in to listen to it all and much more!**
