**ICYMI: U.S. Senate Candidate Manny Gonzales Endorses Donald Trump for President**

**Albuquerque, New Mexico** - Sunday, U.S. Senate Candidate Manuel “Manny” Gonzales III gave an exclusive statement to [Breitbart](#) endorsing former President Donald Trump in his re-election bid this upcoming Presidential Election. He provided this statement below:

“President Trump’s track record and dedication to the principles that matter most to our communities resonate with my vision for New Mexico’s future,” he stated. “I am eager to support a leader who understands the needs of our great nation and will stand against the out-of-touch policies that have left our state behind,” said Manny Gonzales.
