Interstates:

Date St. Business Loop Roundabout Project, T or C [CN1101231/32](#)

La Calerita LLC. (Contractor) continues construction on roundabout 3, the roundabout at NM 181 is open and will be used for all NM 181 and Date Street traffic. Crews will build new turnouts during nighttime work hours. The following traffic impacts will be in place: Southbound N. Date Street will be reduced to one lane north and south of the new NM 181 roundabout. NM 181 will be closed at N. Date Street; traffic can access NM 181 by using the new roundabout. Crews will also be working on the shoulders on the west sides of the roundabouts at New School Road and Smith Avenue, although they will remain open. Motorists are encouraged to use extra caution in the construction zone, obey lower posted speed limits and allow extra time to reach their destinations. Regular work hours will be 7 a.m. to 5 p.m. Monday-Friday although the contractor may work longer hours or on weekends as needed.

I-25 Bridge Replacement Project, Williamsburg [CN1100990](#)

El Terrero Construction, LLC. (Contractor) will be continuing construction to replace the bridge at I-25 milepost 75, Broadway Street and NM 187 in Williamsburg. Traffic has been shifted into the northbound lanes with the on/off ramps open, access to the southbound on/off ramps are still closed. Currently crews are working on installation of southbound on/off ramps, bridge installation and drainage structures. Regular work hours will be 7 a.m.-5:30 p.m. Monday-Friday although the contractor may work longer hours or on weekends as needed. Access will be maintained to all businesses and residences during construction.

I-25 Guardrail Replacement Project, milepost 159 to 175, Socorro

J-H Supply, Co. (Contractor) will be continuing a guardrail and end treatment project along I-25 in Socorro County from milepost 159 to 175. Motorists can expect lane closures in the northbound lane from 167-170 and the southbound lane from milepost 165-170. Overnight lane closures should be expected. The hours of operation are from 7 a.m. to 5 p.m., Monday through Friday. Construction is expected to be completed by Spring 2024.

I-25 Roadway Rehabilitation Project, Mile Marker 150 to 161, north of Socorro

Mountain States Constructors, Inc. (Contractor) will be completing the roadway rehabilitation project on Interstate 25 from milepost 150 (Socorro North) to milepost 161 (Chamizal). Drivers can expect various daytime lane closures on both the northbound and southbound lanes as needed for guardrail and barrier wall placement. The contractor's hours of operation will be from 6 a.m. to 6 p.m., Monday through Friday.

I-25 Landscaping Project, Mile Marker 2.5 to 3.7, Las Cruces [LC00360](#)

Grass Masters LLC (Contractor) is continuing a landscaping, curb and gutter, miscellaneous construction, and paving project along I-25 from milepost 3 to milepost 3.7 near Lohman Ave in Las Cruces. Crews will be working on the wall foundations and wall footing along the I-25 northbound interchange and on/off ramp. Most construction will be on the shoulders with little impact to travelers. The contractor's hours of operation will be from 7 a.m. to 5 p.m., Monday through Friday.

I-10, On-Off Ramp Repairs, Mile Marker 116, Las Cruces

Mountain States Constructors, Inc. (Contractor) will begin making paving repairs to the on/off-Ramps on both the eastbound and westbound ramps at milepost 116(Lazy E). Traffic is encouraged to seek another route. Regular working hours are from 7 a.m. to 5 p.m. ramps will be closed during these hours.

I-10, Off-Ramp Repairs, Mile Marker 139, Motel Blvd., Las Cruces

A-Mountain Construction (Contractor). Starting soon the contractor will begin replacing broken concrete slabs on the eastbound off ramp at Motel Blvd. The off ramp will be closed for approximately one week due to concrete curing time. Traffic is encouraged to seek another route. Regular working hours are from 7 a.m. to 6 p.m.

I-10, TPAS System Installation, Mile Marker 2 to 164, Lordsburg to Anthony

MWI, Inc. (Contractor) will be continuing the installation of the Truck Parking Availability System (TPAS) along Interstate 10 from milepost 2 (NM/AZ Stateline) to milepost 163 (Anthony). Crews will be located on the eastbound shoulder at mileposts 14, 50, 129, and 160, and the westbound shoulder at milepost 2, 43, 26, and 69. Crews will be working on programming the wireless modem. No traffic impacts are expected, crews will be on the shoulders.

US Roadways:

US 380 Bridge Rehabilitation, San Antonio

AUI, Inc. (Contractor) will begin working on a bridge rehabilitation project on US 380 between mileposts 1.6 and 1.8 over the Rio Grande River. The majority of the work will take place under and around the bridge, with no traffic impacts expected. Drivers are asked to please obey traffic control devices if placed and be on the lookout for workers and/or equipment entering and exiting the roadway. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday.

US 70 Fog Sealing Operations, Lordsburg to Arizona Stateline

The New Mexico Department of Transportation (NMDOT) will be Fog Sealing US 70 from milepost 0(Arizona Stateline) to milepost 28(Turnerville). Drivers are asked to please obey traffic control devices if placed and be on the lookout for workers and/or equipment entering and exiting the roadway. Pilot car operations will be in place. Regular work hours will be 8 a.m.-5 p.m. Monday-Thursday.

State Roadways:

NM 359 Bridge Rehabilitation, Mesilla

AUI, Inc. (Contractor) will continue the bridge rehabilitation project on NM 359 at milepost 1.90 over the Rio Grande. The majority of the work will take place under and around the bridge, with no traffic impacts expected. Drivers are asked to please obey traffic control devices if placed and be on the lookout for workers and/or equipment entering and exiting the roadway. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday.

NM 26 Bridge Rehabilitation, Hatch

La Calerita Construction (Contractor) has begun working on a bridge rehabilitation project on NM 26 at milepost 47.7 over Interstate 25. The contractor will be replacing the bridge bearings and plates during evening/nighttime hours beginning at approximately 5 p.m. During this time, the bridge over the Interstate will be fully closed at Exit 41 (Hatch). Notification will be sent prior to closure. I-25 northbound traffic wishing to exit to Hatch should use Exit 35(Rincon), follow detour signage. Travel lanes along I-25 may be reduced to a single lane depending on the work location, drivers should be vigilant for construction signing.

NM 157 Bridge Rehabilitation, Radium Springs

AUI, Inc. (Contractor) will begin working on a bridge rehabilitation project on NM 157 at milepost 0.1 over the Leasburg Canal. The majority of the work will take place under and around the bridge, with no traffic impacts expected. Drivers are asked to please obey traffic control devices if placed and be on the lookout for workers and/or equipment entering and exiting the roadway. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday.

NM 549, Roadway Rehabilitation, Deming

Mountain States Constructors, Inc. (Contractor) will be continuing roadway rehabilitation project on NM 549 from milepost 10 to 22. Drivers can expect lane closures on both the eastbound and westbound lanes of NM 549 as needed. A pilot car operation will be in place, please reduce your speed and obey traffic control devices. Roadway will be restricted to 12-foot for oversized loads. The contractor's hours of operation will be from 7 a.m. to 5 p.m., Monday through Friday, with the possibility of some weekend work.

NM 101 Utility Replacement, Mesilla

JGF Built LLC (Contractor) will be replacing the underground utilities on NM 101 from milepost 0 to 0.8 (Intersection of Avenida de Mesilla and University Ave.) in the Town of Mesilla. Roadway is open but may be reclosed in the next month to finalize utility replacements. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday. Drivers should expect delays and plan accordingly.

NM 26 Bridge Rehabilitation, Deming/Nutt CN1102010

Meridian Contracting, Inc. (Contractor) is currently finalizing the bridge rehabilitation project on NM 26 "Hatch Hwy" at milepost 26.8 near Nutt. Speed limits may be reduced, please obey traffic control devices. The contractor's hours of operation will be from 7 a.m. to 5 p.m. Monday through Friday.

NM 404 Roadway Widening, Anthony to Chaparral

Mountain States Constructors, Inc. (Contractor), will be continuing the roadway reconstruction and lighting project on NM 404 from milepost 0.9 (Anthony) to milepost 8.8 (Chaparral). Traffic has been shifted into the eastbound lanes so construction can begin on the westbound lanes. Currently, the contractor is installing drainage structures, subgrade preparation, Base Course, and Hot Mix. The speed limit has been reduced to 45 MPH for the safety of the traveling public. The contractor's regular hours of operation will be from 7 a.m. to 5 p.m., Monday through Friday, some weekends as needed.

City of Las Cruces Projects:

Sonoma Ranch Blvd.

As part of the Sonoma Ranch Mile 1 Construction Project, Sonoma Ranch Boulevard will be reduced to one lane in each direction between Sierra Ventana Avenue and Peachtree Hills Road while roadway and utility improvements are being completed. Commuters are urged to follow all posted signs. The entire project is estimated to be completed by February 2024.
