

This week's show is all about the NM legislature!

We have **Republican Leader Ryan Lane** joining to speak about what Republicans will propose and need to fight against in the upcoming session; you'll hear **Senator Craig Brandt** explain how the legislative process works, and then **Rep. Stefani Lord** joins the show for an explosive segment about the importance of protecting the Second Amendment this session.

Put us on while you drive, while you work, or while you relax. This is going to be a great show!
