Your right to bear arms is under attack in the New Mexico legislature!

We have **Zachary Fort**, the legislative affairs officer of the **NM Shooting Sports Association (NMSSA)**, to give you a detailed rundown on some of the anti-2A bills Democrats are trying to pass right now.

Then **Anise Golden Morper**, the **Director of Women's Programs at the NMSSA**, joins us to share the often-overlooked female perspective on why these anti-gun bills will make New Mexico more dangerous for women. She discusses training and practice designed to help women become safe, responsible gun owners to protect themselves and their children.

Finally, you'll hear an exclusive clip from **NM House Leader Ryan Lane** from RPNM's Legislative Reception on why you should be proud to be a Republican.
