Real Issues. Real People. Real New Mexico.

With:
Steve Pearce

Paul Gessing of the Rio Grande Foundation, a nonprofit think tank focused on the impact of public policy on the economy and education, **gives us an exclusive analysis of the bills passed in this legislative session.**

Steve pays tribute to fallen Dona Ana Police Officer Jonah Hernandez and blasts NM Democrats for enabling the revolving door of crime.

Steve then calls on New Mexicans to **contact the office of Governor Lujan Grisham and ask her not to sign HB 41**, which will result in New Mexicans paying .50 more per gallon of gasoline.

Jewish rapper and musical artist **Matisyahu** accused **Meow Wolf in Santa** of **antisemitism** for forcing him to cancel his sold-out shows due to its staff boycotting his show. Steve is urging New Mexicans to **call Senator Martin Heinrich's office and ask him if he condemns this antisemitic action**, especially since **Heinrich's wife is a top staffer at Meow Wolf and allegedly played a role in the boycott.**
