

PUBLIC INVOLVEMENT MEETING

BORDER HIGHWAY CONNECTOR STUDY (CN E100390)

NEW MEXICO
BORDER AUTHORITY

MEETING LOCATION

Doña Ana Community College (DACC) Sunland Park Center
3365 McNutt Rd, Sunland Park, NM 88063

THURSDAY,
MAY 23, 2024
6:00 TO 7:30 PM

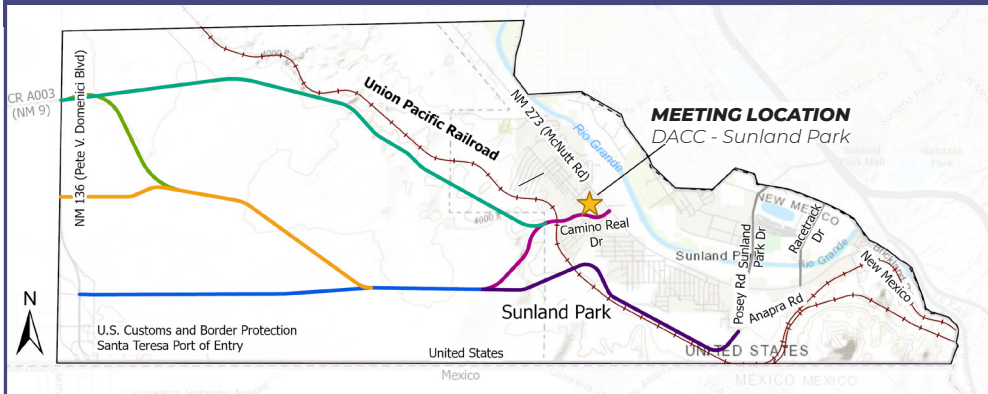

The **New Mexico Border Authority (NMBA)**, in conjunction with the New Mexico Department of Transportation (NMDOT), is currently leading the **Border Highway Connector Study**. The Study is being completed to evaluate a new roadway corridor connecting NM 136 and NM 273, expanding the local and regional transportation network.

The purpose of the meeting is to share the roadway alignments considered in detail, those eliminated, and to review the alternative that is recommended for advancement. Please join us, ask questions, and share your comments to help inform the screening process and the options to be carried forward into environmental evaluations and design.

Questions or comments can be emailed to Denise Aten by June 22, 2024 at BorderHighwayConnector@bhinc.com, phoned to 505-264-0111, or mailed to:

7500 Jefferson St NE,
Albuquerque, NM 87109.

POTENTIAL NEW ROADWAY ALIGNMENTS

To request Americans with Disabilities Act (ADA)-related accommodations or other technical support for the meeting, contact Denise Aten at BorderHighwayConnector@bhinc.com or 505-264-0111.

Interpretación en español estará disponible en la reunión.
