

During this National Police Week, the Republican Party of New Mexico honors the courageous men and women in law enforcement who protect our families, homes, businesses, and communities by putting their lives on the line every day.

We also remember all of the police officers who were killed in the line of duty, including Officer Justin Hare and Officer Jonah Hernandez, who New Mexico tragically lost this year.

RPNM is committed in our support for the men and women in New Mexico law enforcement, and we thank all officers for their dedication and sacrifice to our state.
