MANUEL "MANNY" GONZALES, CANDIDATE FOR SENATE DISTRICT 23, ISSUES STATEMENT FOLLOWING UNSUCCESSFUL PRIMARY ELECTION BID:

ALBUQUERQUE, NM – "While this is not the outcome we were hoping for, I want to extend my congratulations to Terry Lynne Aragon, the Republican nominee for Senate District 23. I am officially endorsing Terry Lynne Aragon for State Senator; Harold Pope's extremely progressive policies and vote record are damaging to our community and the State of New Mexico. He does not represent the values of this community and should be just a one-term Senator.

My service to this community is far from over and I am proud of any and all opportunities to make my home community and state a better place for all New Mexicans."

*Leadership for a Better New Mexico,
Manny Gonzales for State Senate*
