

RPNM Commemorates D-Day

Today, the Republican Party of New Mexico commemorates the anniversary of D-Day on June 6th, 1944. Eighty years ago, nearly 160,000 Allied soldiers stormed the beaches of Normandy in Northern France to liberate Western Europe from Nazi tyranny.

The D-Day invasion marked the largest naval, air, and land operation in history and became a pivotal turning point of WWII in favor of the Allied forces.

Let us pay tribute to the courage exhibited by these soldiers, many of whom were only 17 or 18 years old, and their unwavering resolve to defend and even lose their lives to protect precious freedom and democracy for everyone. May we never forget the sacrifices they have made for the free world.
