Real Issues. Real People. Real New Mexico.

With:  
**Steve Pearce**

Steve Pearce, with co-hosts Derek Underhill and Danielle Hernandez, discuss and share their perspectives on the biggest local and national headlines.

### We have a jam packed show this week:

- Steve celebrates a life that was saved! Hear what happened.
- Biden is locking up a peaceful pro-life protester who is a grandmother while ignoring the violence and destruction at Democrat-supported protests. Steve calls out Biden's weaponizing the law against his political enemies. Everyone needs to hear this!
- Steve and Derek question what accountability there will be for Anthony Fauci over a recent report proving he was lying to Americans throughout COVID.
- Will Democrats show any outrage now that it's been revealed that Gov. MLG's Maxeon deal greatly benefits Communist China?
- Derek brings up the conversation of what kind of outrage there would be if a Republican used a racial slur like Democratic Rep. Gabe Vasquez did and how Democrats are using the Trump verdict to say no one is above the law while exempting every Democrat, including Gov. MLG who is accused of a very similar charge.
- Trump was convicted! Steve gives his take on the whole case. Hear how our two Democratic Senators are connected to the judge in his case.
- And you'll hear from a Black NY voter who shares why Trump's guilty verdict solidified his vote for him.
