**Gabriel Ramos Announces Coalition of Nearly 100 Democrat and Independent Supporters**

GRANT COUNTY - Veteran, businessman, and former State Senator Gabriel Ramos released today an extensive list of nearly 100 Democrats and Independents who have endorsed his campaign for New Mexico State Senate District 28.

Ramos is the Republican nominee in the race. The Democrat nominee has yet to be determined, as the incumbent, Siah Hemphill, will step down from her post and allow another Democrat to be appointed in her place.

“This strong group of Southwest New Mexicans who have endorsed my campaign know that this race isn’t about partisan politics. It’s about fighting for OUR values and interests against the political extremist machine in Santa Fe. I am proud that they recognize how hard I will work to protect their jobs, their families, and their pocketbooks,” said Ramos.
